

MILESTONE RECKONING

Natural History Museum

Pentagram + Nomad • 2023 • Kinetic

A 150th anniversary, and a mission shift: from passive archive to active planetary advocate.

Without losing the
accessibility and delight that
made it one of the UK's most-
visited institutions.

Four motion behaviors, system-deep.

Ripple, Grow, Pulsate, Orbit
govern how every asset
animates. The circular mark is
motion-derived. Sound-
reactive dinosaurs and dodos
are native brand behaviors,
not campaign assets.

When the mission is transformation, the brand must perform the transformation.

Motion embedded at the system level is sustainable. Motion as a campaign layer is not.

+22%

5.69M visits in the rebrand year, with a further record the year after.

Institution-reported and independently verifiable, but post-pandemic recovery is a significant confounder and cannot be disaggregated from any brand effect.

Brand is behavior, not image.

Nine landmark cultural rebrands, read by what forced the decision. Not by how they look. By what they do.
